

## Arrangements from September

Dear Parents/ Carers,

I thought it would be useful to once again confirm some key information for September.

We have decided that we will retain some of the new processes that have been working well since they were implemented during lockdown last year.

We have decided to **keep the soft start approach** in the morning with parents continuing to **drop their children at the gates**. Soft start timings have changed very slightly and will be between **8.40am and 8.55am**. The earlier your child is in school the more they are learning!

The end of the school day will revert back to being **3.15pm for KS1** (reception to Yr2) and **3.20pm for KS2** (years 3-6).

Nursery timings will be as follows:

30 hours 8.45am—2.45pm  
Morning 8.45am—11.45am  
Afternoon 12.30pm—3.30pm

We will use the same gates as this year for the morning drop off and collection and parents will still be able to come in to the playground at the end of the day as usual.

Summary of Key Information:

- Parents continue to drop children off at the school gate in the morning.
- 8:40-8:55am soft start
- Reception, Year 1 and Year 2 finish at 3:15pm
- Years 3-6 finish at 3:20pm
- Parents collect from the playground at the end of the day.
- Children back in full smart school uniform
- PE kits worn to school on PE days (class PE days will be confirmed in September)

Obviously things could possibly change over the summer with the current situation and we will keep you updated on our app and on the website if they do. Please check regularly for any updates.

Have a wonderful relaxing summer and we look forward to seeing you back in school on Thursday 2<sup>nd</sup> September.

Many thanks for your continued support,

Sarah Evans  
Principal
