

Help Aggie the Alien

Limit the spread of COVID-19

Can you help me stay safe and protect my human friends?

Hugs, kisses and handshakes can spread viruses. Can you think of a fun different way to say hello to your friends?

Complete the maze

Think of a song to sing while you wash your hands for 20 seconds

Aggie is feeling unwell.

Help her find the tissues, hand soap and pharmacy so that she can look after herself and others.

Design Aggie a face mask

Aggie has a doctor's appointment today and she needs to wear a mask when she is in the clinic. Can you design a face mask for her.

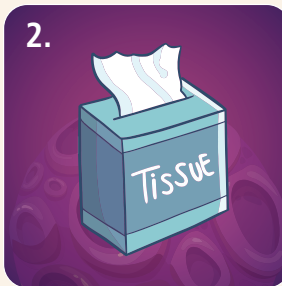

Limit the spread

1. Try not to touch your n____, m____ and e____
2. Use a t_____ when you cough or sneeze
3. Stay at h_____ when you feel unwell
4. Regularly wash your hands for _____ seconds with s_____

1.

2.

3.

4.
