

Cranford Park Academy

27th September 2021

Dear Parents/Carers

As part of the school's Academy Council there are 2 vacancies for Parent Governors.

Our Parent Governors are very valuable members of the Academy Council. We rely on them to help us to keep in touch with what parents are thinking and to help us to decide what is best for all our children.

Our Academy Council meets once a term and any committees would meet termly too. There would also be regular training which governors would be expected to commit to. There is a high level of responsibility and accountability related to the role of governor currently and I would advise that if you are considering applying that you call and arrange a meeting with myself to discuss further so that you are aware of the commitment required before applying.

You do not need to be an expert in the field of education, all you need to do is care about your child's school and be prepared to attend regular meetings and training being prepared to contribute to the future of the school.

The Term of Office for Parent Governors is four years.

Before applying to find out more please call to arrange a meeting with myself by calling my PA, Zoe Wilkins, in the school office. To apply please email klathey@theparkfederation.org for an application form.

The closing date for applications is 15th October 2021. If more than 2 applications are received a ballot will be arranged and voting papers sent to all parents.

Yours sincerely

Sarah Evans
Principal
