

Eco Week 1<sup>st</sup>-5<sup>th</sup> November

Dear Parents,

I am really excited to announce that we will be holding an Eco Week during the first week back after half term. Throughout the week, the children will be learning about some of the current issues facing our world and have an opportunity to take part in many exciting activities. A representative from Greenpeace will be speaking to the children and share information about climate change and Cop26.

Please can I take this opportunity to thank all parents for buying reusable plastic bottles. As a school, we are trying to cut back on plastic waste so please no single use (throw away) plastic bottles.

On Friday 5<sup>th</sup> November, we will be holding a non-school uniform day. As it is eco week, we are asking all pupils and staff to dress up in 'something green'. The money raised will go towards making our school more eco-friendly. The minimum suggested amount for a donation is £1 - which we ask to be brought in if pupils are choosing to wear non-uniform. Please could you pay for this on Parent Pay.

Kind regards,

Mrs Hopley
